Dear Friends:

On June 29, 2024, the David Nelson Jr. Memorial Fund will host their 16th Annual **"No Shower Happy Hour"** at Keenan's Irish Pub in North Wildwood, NJ, in loving memory of Isabella Shinn—an exceptional young woman who sadly passed in 2023 and became an organ donor hero. She was a kind, loyal person who loved her people with her entire heart and was always there for anyone who needed her. The event will also be in honor of Vincent Novello, a grateful heart recipient and good deed doer celebrating over 14 years of his second chance at life. His favorite saying is "a heart is not judged by how much you love, but how much you are loved by others." -*Wizard of Oz*

With a commitment to honoring these two extraordinary people, raising awareness for organ and tissue donation, and supporting the transplant community, the Nelsons, along with their extended family and friends, will host the annual fundraising event and donate all proceeds to Gift of Life Howie's House. Since 2009, this annual event has raised over \$187,000!

The House opened in 2011 in Philadelphia and provides a home away from home for transplant patients and their families traveling to the city for life-saving organ transplant care. Affordable lodging, meals, transportation and supportive services are provided to families to ease their burdens. Gift of Life Howie's House is an affiliate of Gift of Life Donor Program, which coordinates life-saving and life-enhancing transplants for those on the waiting list, while supporting the generous donors and their families who have chosen to give others a second chance through organ donation.

Representatives from the David Nelson Jr. Memorial Fund are authorized to solicit for prizes, food, beverages, and/or monetary sponsorship support for the upcoming fundraiser.
